ANCA's Bike the Barns, presented with **BikeADK**, is a one-day recreational bicycle tour and fundraising event that highlights the region's vibrant agricultural & entrepreneurial movements and the members of our community who are driving it.

Bike the Barns sponsors demonstrate their commitment to the Adirondack North Country's food and entrepreneurial heart. Sponsorship dollars support initiatives that directly strengthen farms and local businesses by lowering costs, growing markets, enhancing access to capital and promoting long term strength and stability.

Reach 200+ ride attendees and 10,000+ community members with your sponsorship.
